Second Sunday in Ordinary Time

This popular way of describing the universality of our Church is a theme of today's readings. The prophet Isaiah tells of God's servant who will be the "light of the nations." It will not be enough for this servant only to bring back the survivors of Israel's dispersion and captivity. God's salvation must reach to the ends of the earth.

Saint Paul writes to a local church of mainly Gentiles and presumably former sinners of all kinds in Corinth. He greets them and tells them that they are to take their place with "saints everywhere" in the name of Jesus Christ.

The Gospel reading from John tells of Jesus' commissioning by the Father in the Holy Spirit to bring salvation to all, to take away the sins of the world. This Chosen One has come to baptize the world in God's Spirit. Everybody.

As you hear these words, consider your own task to bring the good news of salvation to everyone you will meet in the coming days, weeks, years.

Living God's Word

When at Mass, we call on Jesus several times as the Lamb of God - at the beginning in the Gloria and twice in preparation for Communion. Pray for our world this day to recognize Jesus as the Lamb of God who takes away the sin of the world.

TREASURES FROM OUR TRADITION

The symbols and actions of baptism evolved around the experience of adults dying to old patterns of life and rising from the waters of baptism as new creations. As for newborn babies, at first it was desired to wait until the following Easter, when they could be baptized, anointed with chrism, and given a taste of the Eucharist in association with adults. The Church was always willing to baptize adults in emergency situations outside the Easter timetable, and in time, since infancy itself was a life threatening situation, the baptism of babies became commonplace. As with the "emergency" adult baptisms, it was required that parents bring the child, as soon as health was recovered, to the bishop for the full menu of sacraments.

The very real fear of death for infants thus created a situation in which the three sacraments drifted apart from each other, and away from their original, adult celebration at Easter. Today, at last, we know a great deal about how our practices evolved. This knowledge is reshaping how we celebrate Easter, how we receive adult faith, and how we structure the faith journey of children.
